SOPA Working Groups

SOPA News

Date: February 25, 2024

SOPA have agreed on three priority topics for discussion by members' working groups which will be established in the next month or so. The working groups are asked to tackle priority issues at some Zoom meetings over a period of two to three months and make recommendations on action to the Board of Trustees. The first three topics are:

- **Social Care** (we anticipate several working groups tackling various aspects of Social Care over the life of the three-year plan)
- **The potential pros and cons of the proposed Older People's Commissioner in Scotland**
- **The impact of social isolation and ways in which it might be tackled in Scotland**

Further details about how to join these groups will be sent out shortly to members.

However, in the meantime, if you are interested, in participating in any of these groups please email me at hetty@scotopa.org.uk.
