SOPA Parliamentary Reception

Thursday 12 March 2026

5:30pm – 7:30pm • Scottish Parliament

SOPA is delighted to invite guests to our **2026 Parliamentary Reception**, generously sponsored by **Christine Grahame MSP**. This annual gathering brings together parliamentarians, sector leaders, older people's representatives, and community partners to celebrate the voices of older people across Scotland and highlight the issues that matter most.

Join us for an inspiring evening featuring:

- **Key reflections** from MSPs and national stakeholders
- **Updates on SOPA's advocacy work** and upcoming priorities
- **Opportunities to network** with organisations, campaigners, and community champions
- **Showcasing lived experience**, with contributions from older people across Scotland

Please note:

Entry is strictly limited to those on the official guest list, as required by parliamentary security.

If you would like to be considered for the guest list, please contact:
