SOPA Outreach Meetings

SOPA News

Date: July 24, 2024

We held our first outreach meeting in the Borders in March 2024 at Gala House and were delighted that so many people attended. The event focussed on SOPA's current objectives, Age-friendly Communities and discussions around Your Issue, Your Voice.

It was an insightful day of lively discussion and sharing of information. If you would like us to visit your area and deliver a similar event please let Hetty know at hetty@scotopa.org.uk.
